

We are located on the UT campus in the Liberal Arts Building (CLA), on the fourth floor in room 4.108. Our parking spot is on San Jacinto Blvd, near the UT football stadium:

- If you are coming down 21st street, you will go north on San Jacinto, and the parking spot will be just past the intersection of 23rd and San Jacinto on your left.
- If you come down Dean Keaton, you will head south on San Jacinto, and the parking spot will be on your right, just before the intersection of 23rd and San Jacinto.
- You will see a sign marked "Child Development Lab." This is our parking spot! A lab member will be waiting for you here with a parking permit, from about 5 minutes before the time of your appointment, and will walk you over to the lab.

The parking spot is indicated with the red pin on the map below. If you are typing in an address into your GPS, **2331 San Jacinto Blvd, Austin TX 78712** will put you almost right at the spot.

If you have any questions or concerns, send us an email at childlanguage@atx.utexas.edu, or call us at 512-232-2468. We look forward to seeing you!
